

Security

Anti-tamper and anti-counterfeit solutions reinforce quality and assure authenticity

With substantial revenue lost globally each year from counterfeited consumer goods, brand protection and security are a number one priority. Counterfeiting can impact brand's revenue and negatively affect consumer perception, further eroding its value.

Avery Dennison's Select Solutions Security portfolio products provide you with a tier of anti-tamper and anti-counterfeit solutions that deliver peace of mind to you and your customers. From destructible films to void materials, our solutions combine the best of global security with shelf appeal. Whether you select overt, covert or customized solutions, our technologies will protect both the immediate and long-term value of your brand.

Portfolio characteristics

- Range of security solutions from temper evident void to multi-layer
- A range of facestocks in clear, silver and white finish
- Adhesion to a wide range of substrates including paper, cardboard, metals, plastics, glass and even fabrics
- TT printable facestocks
