

Select Solutions™

Tag Stock Portfolio

Whether for sock bands and garment labels or multipurpose pricing, information and work-in-process tickets and labels... our printable, bright white pressure-sensitive tag materials add efficiency and productivity to every application. Available in a range of thicknesses and adhesives, our pressure-sensitive tag materials are apparel-friendly, adhering beautifully to fabrics and uneven substrates, yet removing cleanly without leaving adhesive residue. Tag stock portfolio materials are designed for easy converting and dispensing, printing well using screen, offset and solvent/water based flexo.

Portfolio Components

- Pressure-sensitive, bright white tag constructions
- Featuring 8 and 10 point tag facestocks
- A range of adhesives including cold temperature, removable and high strength

Portfolio Characteristics

- Consistent adherence to uneven substrates and fabrics
- Apparel friendly; removes cleanly from fabrics
- Stiffness and high internal strength for more challenging applications

Applications and Segments

- Sock bands and garment labels
- Retail price tickets
- Information labels
- Work-in-process labels
