chemicals and
wax exposure on
candles, candle
wrappers and jars,
and soaps.**

Select Solutions™ Candle and Soap Portfolio

There's no tougher application challenge than candles and soaps. But our exclusive, Select Solutions Candle and Soap portfolio makes the job easy.

Available in a variety of facestocks, our papers and films for candles and soaps have been selected to give brand owners added design flexibility for on-shelf impact. Choose ultra-clear label material for that "no-label" look, metallized foils, white papers or digital options – our Candle and Soaps portfolio products perform reliably with direct or indirect exposure. Application-suited, high-performance adhesives mean labels stay put, no matter the difficulty of the surface application.

Portfolio Components

- Ultra-clear materials
- Metallized foils
- HP Indigo option
- Avery Dennison S2300 adhesive

Portfolio Characteristics

- Best-in-class adhesive works beautifully on waxy surfaces; provides long-lasting, reliable adhesion even if substrate is porous
- Materials withstand continued exposure to chemicals and fluctuating temperatures
- Top coated option for HP Indigo digital press printing
- Adapt well to specialty printing techniques like foil and hot stamping, embossing and silk screening

Applications

- Candles
- Candle Wrappers and Packaging
- Candle Jars
- Soaps and Soap Packages
